

# 20

# CLASSROOM RULES

- Be respectful. Have respect for the space, the work, and each other.
- Be prepared. Have your materials ready to use.
- Be on time and ready to work.
- Be an engaged learner. Engagement leads to your best work.
- Be mindful. Treat others the way you would like to be treated.
- Be productive. Stay on task with effort and engagement.
- Be open to taking creative risks.
- Be positive. A positive attitude leads to a positive learning environment.
- Be okay with creative mistakes. They will happen!
- Be honest. Constructive criticism is valuable - but don't forget to be mindful!
- Be aware. Ask questions when it's appropriate. Listen to others.
- Be focused. Stay on task, follow directions.
- Be an active participant. Engagement and effort are key.
- Be an active listener. Listen fully to others. Listen fully to instructions.
- Be present. Phones go in backpack, not the back pocket.
- Be informed. Negative actions have consequences. Be responsible for your own learning.
- Be dressed to work. Comfortable clothes are key.
- Be an engaged ensemble member.
- Be an engaged audience member.
